HHC (Homework Help Club) is here!!! Students in Grade 6, 7, and 8 will have the opportunity to get extra help or time to study for that big test before the school day even starts. Mr. P is offering the HUB, a place for students to ask questions, have a quiet place to work/study or simply get ahead of assignments that are due for their homeroom teachers. They simply have to knock on the window of his classroom and get permission to come in. Please be aware that I will only be able to have 12-15 students at a time in the room. So, if you are looking for a place for your child to get that quiet time or simply get some extra help, the HHC is the place to be! **OPEN - 8:25 to 8:45 am**

## 2021 MAPS Poinsettia Fundraiser Is Back!

Starting Nov. 16th and running until Nov. 29th, you will be able to pre-purchase these beautiful poinsettias for the festive season which will help fund many upcoming initiatives for our students this year! Sizes available this year range from 4"-10" pots and also include fabulous tropical planters and tabletop centerpieces. These planters never disappoint! We, the school council, are so excited to be able to bring them back once again this year!
