Hello MAPS school community,

I hope everyone has been enjoying their time back at school this year. I know a lot of things have changed due to COVID and things don't quite feel like the 'old normal'. New routines have been implemented in order to ensure everyone's safety in our fabulous school, and everyone has been doing great with these adjustments.

Speaking of adjustments, I have had to make some of my own as the School Council Chair. I've been in this role the past few years, and have had a blast working with a stellar team that encourages and supports each other continuously. This wonderful team has been the voice for our school population, ensuring we could do everything we could to help assist with supplies, trips, food programs and other fundraisers that we've had in these past few years. I am truly lucky to be working with you all, which is why it is so hard to let you all know that effective immediately I am stepping down from the School Council Chair position. But don't worry, you haven't seen the last of me. I am gladly going to remain on School Council at this time as the Secretary going forward.

So, without further ado, I would like to Congratulate our new School Council Chair Jennifer Cuthbertson to this amazing role, whom I know will knock it out of the park!

Thank you to all that have supported me during these past few years being the Chair. It was a great run, and I'm proud to pass this torch onto someone who is so deserving of this role as well!

*Warmest regards,
Diane K. Guldner*
