Congratulations to the boys volleyball team on finishing 2nd in their tournament, and for a great season! The boys have made tremendous improvements since the start of their season and played really well as a team. Coaches, Mme Hostrawser and Mr. McAllister are very proud to have coached such a great group of athletes. The girls volleyball team played their best games of the season, demonstrating the progress they have made over the last couple of months. They were in a 4-way tie for first and the winner was calculated based on points. They finished 3rd and amongst a very competitive group of teams. Congratulations on a fantastic season....their coaches - Mme Carey and Mme Hooper are very proud!

Thank you MAPS families! Our first Grad Cookie Fundraiser was a success! Mlle Edwards's class raised \$811 to support year-end grad activities!
