

Mitchell Woods School Council 2020-2021

Your school Council is looking for parents/guardians/grandparents/caregivers of Mitchell Woods students to volunteer their time in service to the school. You can do this in a couple of ways:

- Attend monthly meetings where you will hear reports from staff, administration, West Willow Neighbourhood Group and from council members. We also discuss and plan for future events at the school.
- Volunteer for special projects like Open House, the Pancake Breakfast, Movie nights, fundraisers and more. You do not need to attend the monthly meetings in order to volunteer for a special event or project.

School Council plays an important role in the development and education of children:

- Good schools become better schools when parents and educators partner. School Council plays a unique role in fostering this partnership.
- When you participate in School Council meetings and share your voice; you are taking an active role in your child's education. By coming out once a month to review, discuss and plan school initiatives, we show our children that we are very interested in them and the things they do.
- School Council offers you opportunities to build relationships with other engaged parents, community members and school staff. You can be part of a school community that works together to improve and facilitate student success and school performance.
- School Council contributes to the success of Mitchell Woods through our volunteer efforts.

First School Council Meeting = September 14th, in the school library from 6:15 – 8:00PM
