

Did your child attend class today?

Orangeville District Secondary School invites parents/guardians to login to their child's student information to find out daily attendance, marks, diploma requirements, etc.

Here's how...

- Login to the O.D.S.S. website—www.ugdsb.on.ca/odss
- Click on the **Student Login** link (located at the right side of the page)
- The Login is the first 5 letters of the student's last name, and the first 3 letters of their first name (examples: Julie Smith would be smithjul and Katelyn Robinson would be robinkat)
- The password is the student's OEN number—this can be found on the student's report card to the right of their name or on their student card. If you have security concerns and need this password changed, please contact the office.
- Click on the tabs to access information

Attendance—check today's attendance (it will appear as soon as the teachers report it— all attendance should be reported by 2:30 p.m. daily and many teachers will post attendance shortly after class has started) - past attendance is available under history.

Timetable—shows your child's timetable, with room numbers and teacher's names for this year (timetables for this year are not available on-line until mid-September)

Transcript—shows courses completed, summary of credits and community service hours completed

Achievement—shows mid-term and final marks for this year once teachers have entered them

How to receive ODSS Newsletters & Announcements

- For daily announcements, follow us on Twitter **@ODSS_News**
- To receive occasional information, newsletters and updates from the school and the parent council, go to www.ugdsb.on.ca/CASL and subscribe to ODSS.

Send us your e-mail address

If you would like to make an e-mail address available to your child's teachers as an alternate way to contact you, please send an e-mail to us at

Orangeville.dss@ugdsb.on.ca—questions, messages to teachers and attendance notes to excuse absences may also be directed to that address (we will forward them for you). You may find a list of the teacher's e-mail addresses on our website under the *Contact Us* tab.

The e-mail address that you provide us should be secure and able to be accessed only by parents/guardians. We will continue to send the automated call-home telephone message for daily absences that have not been excused.
