GLE10—Learning Strategies

## GRADE 10

GLC20—Career Studies—.5 credit (taken during the same semester as CHV20—Grade 10 Civics). You must take both courses.

GLE20—Learning Strategies

### SPECIALIST HIGH SKILLS MAJOR PROGRAMS

The Specialist High Skills Major Program (SHSM) allows students to focus on a skill-set and area of knowledge in a particular sector. As you work towards the OSSD, you can also obtain a SHSM designation on your diploma. This makes you particularly well prepared for the post-secondary destination of your choice.

Eight sectors are offered at ODSS in the SHSM program:

Arts & Culture	Business	Construction	Environment
Health & Wellness		Hospitality & Tourism—Culinary	Transportation
Manufacturing			

Your Co-op placement will be related to your sector providing a valuable work experience in your area of specialization. A minimum of 2 Co-op credits are required for SHSM in your chosen sector.

You must also complete the compulsory credits to earn your OSSD and the necessary mandatory credits which are required for your SHSM according to your chosen post-secondary pathway—Apprenticeship Training, College, University or Workplace.

There are numerous Sector Recognized Certifications and Training which will include qualifications in areas such as First Aid, CPR, WHMIS, Safe Food Handling, Fall Safety, Smart Serve, and many more. These will give you advanced training. Your OSSD will be a special diploma indicating that you have successfully completed the SHSM requirements. See

# Guidance & Co-op

## GRADE 11

FTECO2—Grade 11 2-credit Co-op—Designing Your Future - Spend half day at co-op placement

FTECO4—Grade 11 4-credit Co-op—Designing Your Future - Spend full day at co-op placement

GLE30—Learning Strategies

## GRADE 12

FTECO2T—Grade 12 2-credit Co-op—Navigating the Workplace - Spend half day at co-op placement

FTECO4T—Grade 12 4-credit Co-op—Navigating the Workplace - Spend full day at co-op placement

### CO-OP CREDITS

There are no pre-requisites for Grade 11 or Grade 12 Co-op courses. Credits earned in co-op programs will be subject-based and the grade of the credit will be appropriate to the course it is associated with. See a

### DUAL CREDIT COURSES

Dual Credits are college courses that count on both your secondary school diploma as well as a college program. We offer Dual Credit courses in the apprenticeship and college pathways at Conestoga, Georgian and Humber Colleges. Dual Credit students are supported by secondary school teachers in their transition to college. See Guidance or for more information— <https://www.ugdsb.ca/dualcredit/>

### E-LEARNING COURSES

eLearning Courses are credit courses authorized by the Ontario Ministry of Education through e-Learning Ontario. Students and teachers use the Provincial Virtual Learning Environment to communicate the majority of the course work. Students must contact a Guidance Counsellor at their school to enrol in an eLearning course offering. More info at <https://www.elearningstudents.ca/>

# Healthy Active Living

## GRADE 9

PPL10—Healthy Active Living (Co-Ed) \$

4	English	1	Healthy Active Living
3	Mathematics	1	Art
2	Science	1	French
1	Canadian Geography	.5	Careers
1	Canadian History	.5	Civics
1	English/French/Social Science/CWS/Guidance/Co-op		

### Checklist for Students who are new to UGDSB

Please bring the following to your registration appointment:

- proof of residence (i.e. utility bill)
- birth certificate or passport
- transcript/school records from previous school
- completed UGDSB admission form (can be found at <https://www.ugdsb.ca/wp-content/uploads/2017/07/Student-Admission-Form-Version-23-1.pdf>)

## **The Dufferin Learning Centre**

ODSS's West Campus at 30 Centre St., Orangeville

***"Take control of your future"***

The Dufferin Learning Centre is a place for students who are looking for something different than a regular school environment. It's a place where students can finish their diploma while gaining valuable work experience and getting a jumpstart on their future. Students will also have onsite access to several partner services like Georgian College's Employment Centre.

Choose from the following options:

Work Experience (choose GLD2O in myBlueprint)

- A 2 credit program connecting students with employers and helping students learn essential employment skills
- Students experience a variety of workplaces
- Students work closely with experienced teachers
- Transportation provided

Continuous Intake COOP (choose FTECO4A in myBlueprint)

- Start at any time
- A 4 credit program for students who have all or most of their required credits completed
- Turn your part-time job into full-time credits or work with a teacher to find a placement that matches your interests
- After exploring the employment world in our Work Experience program, this program allows you to focus on an area and gain experience
