Application Process

Step by Step

Requirements for College Application

- * 30 credits
- * 20+ hours of volunteer service (N/A)
- * typically ENG4C or ENG4U
- * For some specialty programs, specific courses may be required.
- * Specific schools will have other application requirements

Step 1: research college programs

- * www.ontariocolleges.ca Find a program tool
- * Individual college websites
- * Record program choices
- * Make note of all admission requirements and program specific deadlines

Step 2: Gather info needed to apply

- * An email address that you will regularly check.
 - Colleges use email to communicate with you about your application and offers of admission
- * Your complete home mailing address including postal code
- * Your OEN (on report cards)

Step 3: Apply

- * Create an account at www.ontariocolleges.ca
- * You will make a new password – record and keep in a safe place
- * Activate your account
- * Complete the application
 - You don't need to complete it in one sitting
- * Submit your application with payment before the deadline
- * [Click here for step by step instructions](#)

Step 4: After Applying

- * Log in and verify application details – make changes if necessary
- * Ensure the spam filter on the email address you used will accept email from OCAS and from the colleges you applied to.
- * Make sure to verify your grade information after you get your report card

Some schools will send you an email with an applicant portal where they will communicate with you about your application to their school
