Shashana Hare, Vice-Principal

June 23, 2017

Dear parents and guardians,

Heavy rainfall on Friday has resulted in a rapid rise in water levels across our region. Conditions may not be safe for recreational activities on rivers and lakes.

We are advising families to please exercise extreme caution around all bodies of water today and over the weekend.

Parents and guardians are encouraged to keep their children and pets away from all watercourses. The safety of our students is our primary concern.

Sincerely,

Randal Wagner
