

Dear parents, guardians:

This year the grade 4/5s are doing an upcycle. This is where you can bring in gently used clothes that are washed and we will put them on the stage for families to take. So instead of pulling out your wallet and paying for clothes take a look on stage first!

We will have jackets, snow pants, and boots available.

### **Our Timeline:**

-We will be collecting clothes until November 27, 2018 (If you are bringing in clothes please place them on the tables in the front foyer).

-You can come and take clothes from Wednesday, November 28 until Friday, November 30, 2018. At this time they will be available on the stage.

From:

The grade  $\frac{4}{5}$  class.
