# #WestSideStories

## Welcome from the West Willow Village Neighbourhood Group!

We are a group of dedicated community volunteers who believe that healthy sustainable communities are built by neighbours caring about neighbours.

What do we do?

- We organize social, recreational and educational programs for families;
- We offer supports and links to community resources;
- We provide opportunities for neighbours to meet neighbours and grow together as a stronger community!

### Mark your Calendars!

All programs start the week of September 16, 2019
