## Newsletter For November, 2022

### From the Principal's Desk

With the changing of the colour of the leaves comes a change in the weather. Fortunately, we had a warm September and October. Cooler temperatures will be arriving soon, and winter is just around the corner! As a result of the cooler temperatures, the creative playground will be closing soon. Board Policy dictates that school playgrounds are closed each year from November 1<sup>st</sup> until March 31<sup>st</sup>. The closure period can be adjusted, for access during the school day only, at the discretion of the principal, as a result, with warm temperatures forecasted for the first week of November, the playground will remain *open during school hours only*. For more information regarding the Board's Outdoor Space Policy, please click [here](#).

Please note that progress reports go home to parents on Tuesday, November 15<sup>th</sup>. Parent and teacher interviews follow on Friday, November 25<sup>th</sup>. More information regarding parent teacher interviews will be going home to parents in the coming weeks.

K. Runciman  
Principal

### Students Arriving Late

We continue to have an inordinate number of students arriving late each morning. We understand that the morning can be a busy time for families, but we are asking that parents work with their children, so they arrive to school on time. Students who arrive late not only disrupt the classroom learning environment, but it also prevents them from being present for valuable classroom instruction. **We try to impress upon students the importance of being on time, as this is a life skill that needs to be learned at an early age to set themselves up for future success.** In advance, thank you for your attention to your child's attendance record and respecting our teachers' instructional time, your child's learning time.

### School Council's Winter Clothing Drive

Thank you to everyone who donated to School Council's Winter Clothing Drive! Families can shop for winter clothing on **Tuesday, November 1<sup>st</sup>** from 11:30 to 12:30 p.m. **and** 3:30 p.m. to 5:00 p.m., **Wednesday, November 2<sup>nd</sup>** from 5:00 p.m. - 6:00 p.m., **Thursday, November 3<sup>rd</sup>** from 3:30 p.m. to 5:00 p.m. and **Friday, November 4<sup>th</sup>** from 11:30 a.m. to 12:30 p.m. The winter clothing will be available for purchase in Room 8, down the Kindergarten hallway. Proceeds from the Winter Clothing Drive will subsidize the food/nutrition programs within the school.

### Picture Re-Take Day!

Please note that Lifetouch Photography will be returning to Paisley Road Public School on Thursday, November 17<sup>th</sup> for Picture Re-Take Day.

## Staff Parking Lot

We continue to have families entering the school parking lot before the start of the school day and prior to the end-of-the-day bell. The start and end of the day are VERY busy times at the cross walk in front of the school, with students, parents, busses, and taxis coming and going. Additional and unnecessary traffic on school property during these times presents serious safety concerns. If you are dropping off or picking up your child, please park on a neighbouring street, ***not*** in the staff parking lot or at St. Joe's Catholic School. Choose safety over convenience.

## Days of Significance

November 1	All Saints Day Samhain Beltane	Christian Vicca/Pagan
November 2	All Souls Day	Catholic Christian
November 1- 5	Treaties Recognition Week	
November 7	Jain New Year Vikram New Year	Jain Hindu

*\*Days may vary a few days before or after the indicated date due to the moon sightings and time zones for some Days of Significance. \*These Dates were taken from UGDSB Equity and Inclusion Calendar 2022-2023.*

## Attention drivers and pedestrians! Do you know the rules of the road?

We all play an important role in keeping our community safe and this includes safety around school crosswalks. When there is an adult school crossing guard in the crosswalk with their stop sign, drivers must stop before reaching the crosswalk and remain stopped until all pedestrians, including the crossing guard, have cleared the

roadway. The fine for failing to stop for a crossing guard ranges from \$150 to \$500 and three demerit points. Pedestrians play an important part in keeping our communities safe as well, by obeying crossing guards and at signalized crossings, only crossing when the pedestrian walk signal is displayed. Thank you for your assistance in keeping our school communities safe!

## **Helping Your Child With Difficult Situations**

Life is full of things that are hard to deal with. Sometimes children need help in dealing with these events. “Resiliency” is what helps adults and children to “bounce back” from the difficult events in life. The best way to help your child be more resilient is to model the skills for them. Here are some ideas that you can try:

1. Starting at birth, respond to baby’s smiles and cooing by smiling and cooing back often.
2. Comfort your child when he or she is upset. Hugs and a quiet voice can go a long way in calming a child.
3. Teach your child to take deep breaths to calm down when they are upset and then talk when they are relaxed.
4. Help your child to see another way of looking at things: “I know that you want to play with that toy. Tom waited for the toy and now it is his turn. He would be sad if you took it away.”
5. Instead of making your child say “sorry”, talk about his or her feelings and the feelings of the other person involved in the event.
6. At night when you put your child to bed ask them to think of one positive thing that happened to them that day. You could share something too.
7. Point out your child’s strengths: “Hey you rode that bike by yourself!”
8. Encourage your child to keep trying even if something is hard.
9. Read positive, happy stories together.
10. Give your child lots of time to play. Help them play with other children in a positive way.

## **Talking About Mental Health - Kindness**

Did you know that there are scientifically proven benefits of being kind? That’s right. Just the act of being kind has been shown to stimulate the same part of the brain as those who receive an act of kindness. The simple act of kindness can:

- Reduce the stress hormone cortisol
- Increase sense of positive mood and satisfaction
- Help with physical health including lowering blood pressure
- Increase sense of happiness
- Increase feelings of “calm”
- Improve the mood of somebody simply witnessing the act of kindness

Kindness is also something that is TEACHABLE. Dr. Ritchie Davidson of the University of Wisconsin states that: “It’s kind of like weight training, we found that people can actually build up their compassion ‘muscle’ and respond to others’ suffering with care and a desire to help.”

As a family, you can:

- Make a conscious effort to recognize and say something kind about each other or someone else
- Give everyone in the family sticky notes to leave kindness notes to each other around the house
- Challenge everyone to do a random act of kindness every day for a week and have dinner time discussion about what everybody did that day
- Make an effort to identify and appreciate kindness that has been

received

Go out and notice kindness, receive kindness and give kindness this month.

### **Is it Conflict or Bullying? What's the Difference?**

Conflict is a disagreement or a difference of opinion or interests between equals. The people involved in a conflict may disagree vehemently and emotions may run high. When conflict is badly managed, it may result in aggression. In a conflict, both parties have power to influence the situation. That is their goal. Conflict may be an inevitable part of group dynamics, but bullying is not. In each, a different response is required.

Characteristics of a bullying situation include:

- an imbalance of power;
- the intent to harm worsens with repetition over time;
- the distress of the child or teen being bullied,
- enjoyment of the effects on the child or teen being bullied by the person (people) doing the bullying;
- the threat – implicit or explicit – of further aggression

### **Monthly environmental activities to help celebrate our planet Friday, November 25<sup>th</sup> is BUY NOTHING Day!**

*Don't buy, give. "No one has ever become poor by giving", Anne Frank*

**Buy Nothing Day** is an awareness day highlighting society's habit of buying too many things. It is a day for society to examine the issue of over-consumption and is held on 'Black Friday', which is one of the busiest shopping days in the United States. <https://en.wikipedia.org>

*"We are also consuming and trashing clothing at a far higher rate than our planet can handle.*

*Today's trends are tomorrow's trash. The only solution is to reduce our levels of consumption." Dr Kirsten  
Brodde of Greenpeace Germany- <https://www.telegraph.co.uk>*

### **Some great ideas for your family on Buy Nothing Day!**

- Instead of shopping, enjoy a day in the great outdoors by walking trails or going to the park.
- Recycle school supplies such as binders, workbooks, pens and pencils instead of buying new.
- Donate clothes, books, toys and games your family does not need any more.
- Think of things you can make or do for people as gifts without spending any money.

Either way, there's no doubt that going without buying anything for an entire day is quite a challenge in the modern world, and will serve to make you think about what your life is really about!
