

KA Earth Day Art

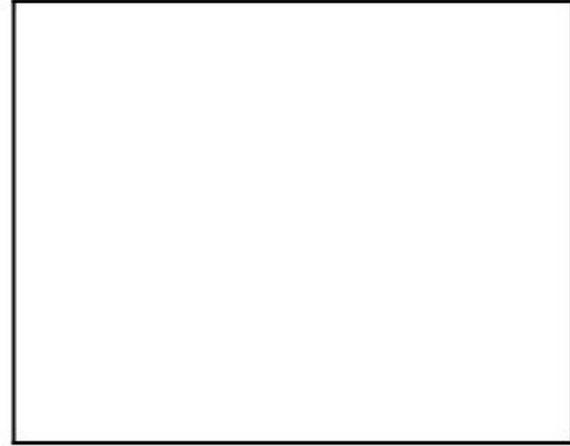

In honour of Earth Day,
we made creations out
of recyclable items
from our homes.

Earth Day Art Project!

1. Brainstorm some ideas -
What do you want to create?
2. Gather your recyclable materials (i.e., egg cartons, plastic bottles, toilet paper rolls)
3. Make a plan - Design your creation. Draw a picture of your creation and label its parts. Make a name for it! Print and fill out this template or make your own at home.
4. Use your materials to build your creations

Kindergarten Recyclable Creation Challenge

Gather your recyclable materials. Make a plan and draw a picture.

Happy Earth Day!

Questions to Answer

What did you make?

What materials did you use?

Did you have any problems when you were building it?

How did you solve the problem?

KA Earth Day Art

G.G.'S Creation - A Hot wheel Garage

What did you make?

“It’s a hot wheel store. It is like a garage.”

What materials did you use?

“I used a can, toilet paper roll, a box of cereal and a tray.”

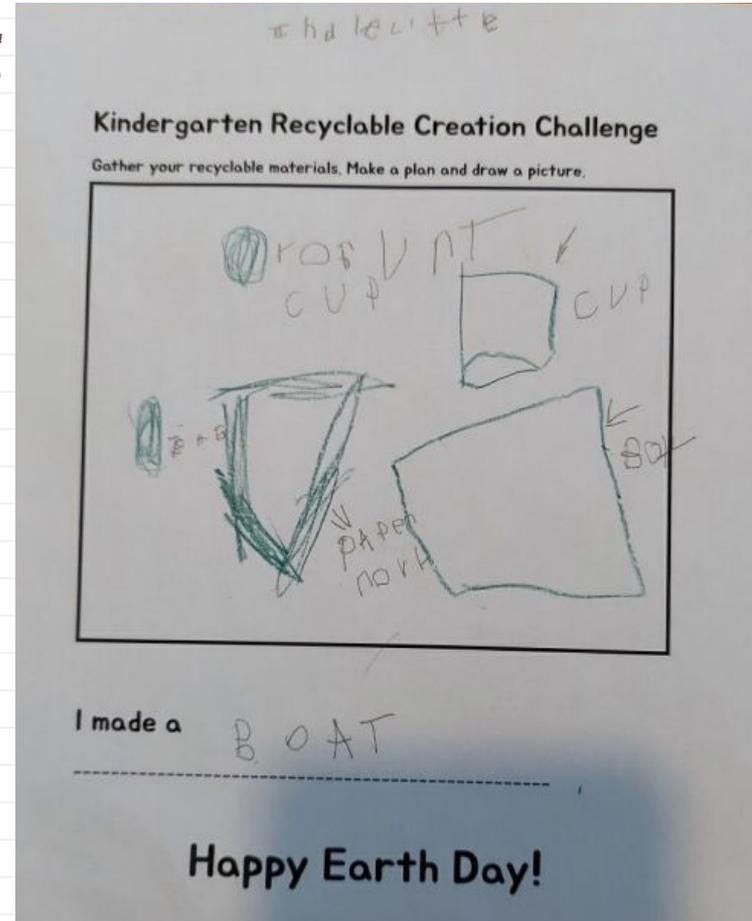

Is there something special it can do?

“The can is the garage - 2 can fit if you put them on top of each other. The toilet paper roll is a tunnel to get in I think it could fit 10 cars.”

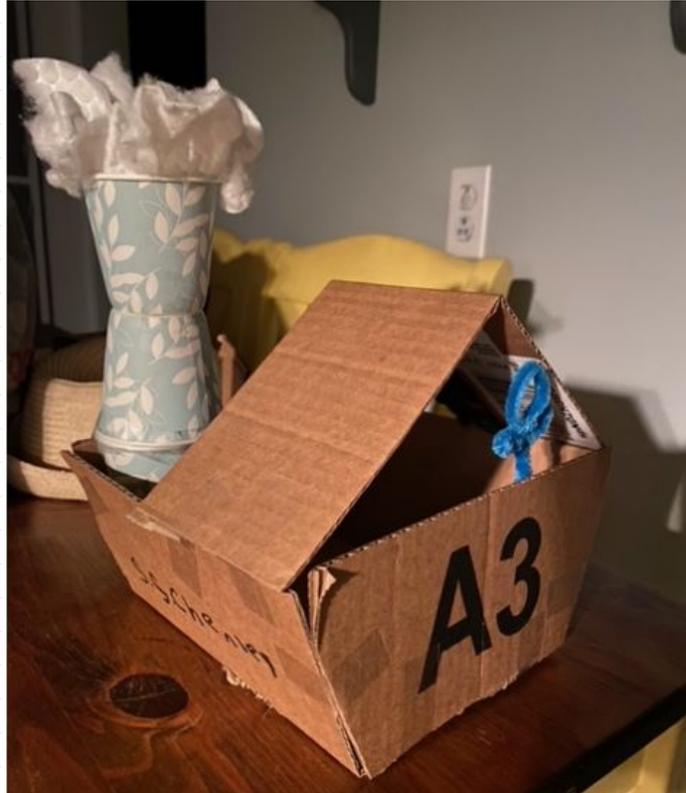

Did you experience any challenges when you were building your creation?

“No.”

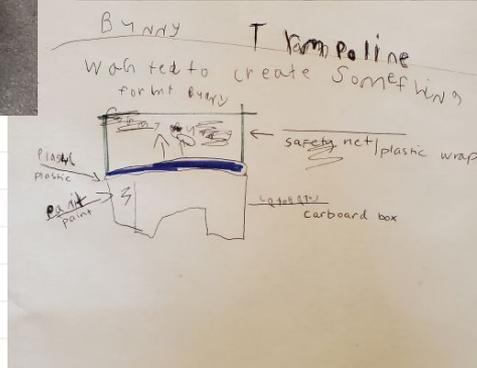

I.L.'s Creation - A Boat

C.J.'S Creation - A Boat

C.H.'s Creation - A Bunny Trampoline

What did you make?

“I made a bunny trampoline.”

What materials did you use?

“It is made out of a cardboard box. It has a bag and plastic wrap.”

Did you experience any challenges when you were building your creation?

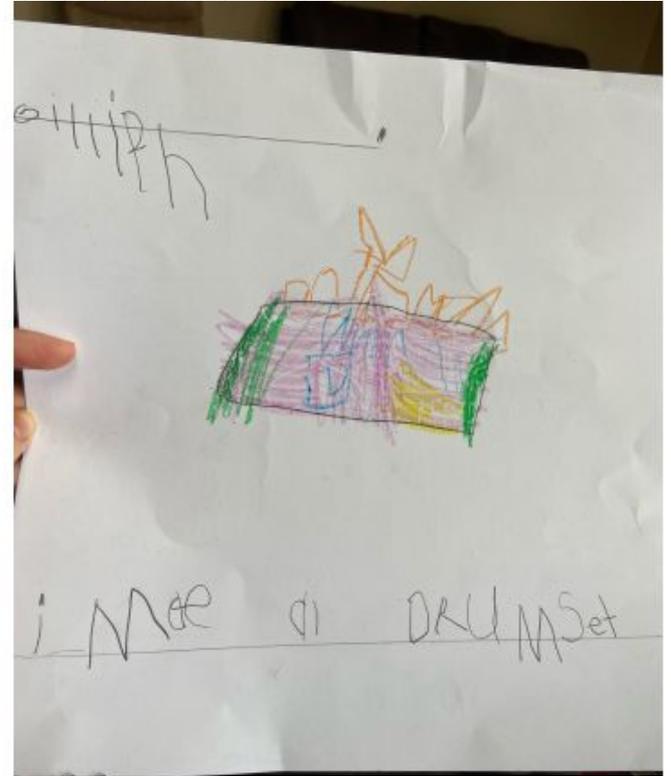

“Yes, it got a little squished on the sides. We did it again. And straightened them up. I got the idea because I have my own trampoline.”

“Yes, my real bunny went in it. She liked it.. It also went under the trampoline.”

H.D.'s Creation - A Robot

G.W.'S Creation - A Drum-Set

L.D.'S Creation - A Vase

What did you make?

“I made a vase.”

What materials did you use?

“I used the newspaper to make the flower and then painted it. I used a milk container.”

Did you experience any challenges when you were building your creation?

“You had to add a lot of paint. The paint got even more dry and then more dry and stayed on again.”

A.R.'s Creations

Kindergarten Recyclable Creation Challenge

Gather your recyclable materials. Make a plan and draw a picture.

Happy Earth Day!

R.W.'S Creation - A Robot Costume

Rowan chose specific boxes making sure they were the right size boxes. He did NOT want to add a colour. Before the picture was taken he said, "I'm inside the robots tummy!"

O.D.'s. Creation - A Robot

What did you make?

“It’s a robot!”

What materials did you use?

“A box, cups, and paper rolls, and this had vitamins in it.”

Did you experience any challenges when you were building your creation?

“No. But my mommy helped me with the rolls and cups. We used glue.”

K.G.'S Creation - A Marker Holder

What did you make?

“I made a maker holder thing.”

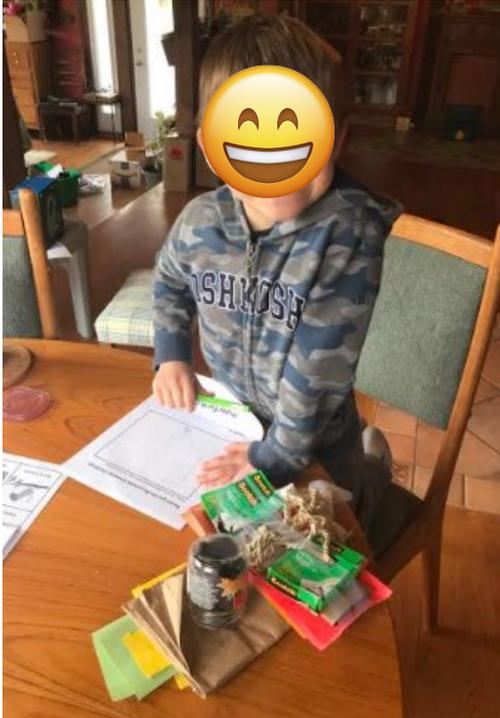

What materials did you use?

“I used paper towel and a toothpaste box.”

Did you experience any challenges when you were building your creation?

“I got it to stick together by using tape. Mom helped with the tape.”

I.A.'s Creation - A Ship Platform

What did you make?

“It’s a ship platform.”

“It is a hovering platform.”

What materials did you use?

“Cardboard, a bag, some paper, some tape, and toilet paper rolls”

Does it do anything special?

“It can hover.

It is supposed to float, too”

Did you experience any challenges when you were building your creation?

“There weren't really any problems when I was making it.”

B.T.'S Creation - A Pirate Ship

What did you make?

“It is a pirate ship.”

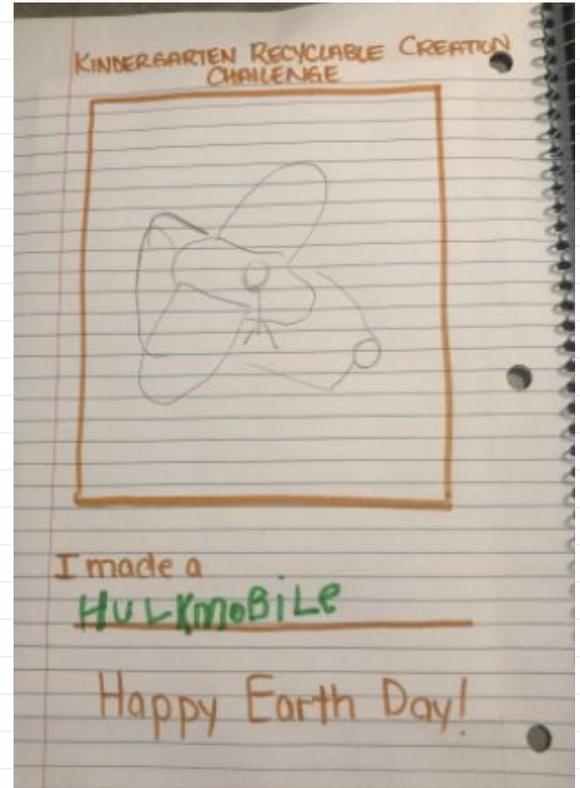

What materials did you use?

“This is from a newspaper. This is from a toilet paper and this is from a peanut butter jar. This is a cardboard box. And a toilet paper roll - 2 of them together. And then I coloured it.”

Did you experience any challenges when you were building your creation?

“This piece fell so I had to tape it.”

B.F.'s Creation - A Hulkmobile

S.L.'S Creation - A Picture

What did you make?
It's a picture.

What materials did you use?

“Recycle papers.

“There is a green tree and we used my paper to make a flower. My brother made a dog. The dog is in the forest. I used cardboard and recycled paper to make flowers. I coloured it.”

D.B.'s Creation - A Pencil Holder

What did you make?

“It is a pencil holder jar.”

What materials did you use?

“I made it with googly eyes and markers. We used a jar from our fruits. We can fit all of our markers and pencils in it.”

Did you experience any challenges when you were building your creation?

“I burned myself with the glue.
Next time I could wear gloves.
Or not do it - an adult does it.”

B.M.'S Creation'S - A Ferris Wheel and a Guitar

C.S.'S Creation - A Ship with wheels

What did you make?

“I made a ship with wheels.”

What materials did you use?

“I made something out of blocks. I used blocks and wheels.”

Does it do anything special?

“It goes on land and in the water. It can fly too.”
