Shannon Spike, *Principal*

Wednesday, September 26, 2018

Dear Parents,

Earlier this year a letter was sent home to parents and caregivers indicating that our school Principal, Ms. Shannon Spike, had suffered a concussion and was unable to assume her duties at the school until she had reached a full recovery. While Ms. Spike is making progress, she will not be able to return to P.M.P.S. until the New Year. We are confident that Ms. Spike's health will continue to improve and look forward to her return. She is sincerely missed by the staff, students and parents at the school.

We are pleased to announce that Mark Turner will be taking over as Acting Principal at Princess Margaret School. Mr. Turner is currently the Vice-Principal at Minto Clifford Public School. He has a wealth of experience within the Upper Grand District School Board and is eager to take on the Principal role at P.M.P.S. during Ms. Spike's absence.

Mr. Turner will be meeting with staff and students at P.M.P.S. during the week of October 1st. He will be assuming his duties, as Acting Principal of the school, beginning on Tuesday, October 9, 2018. We extend a warm welcome to Mr. Turner and look forward to his leadership.

Please take the time to drop in to the school to welcome Mr. Turner to P.M.P.S.

I would like to thank parents, staff and students for your support during my time filling in for Ms. Spike during her absence. It has been a privilege to work with you again.

Yours truly,

Tom Thompson
Acting Principal
Princess Margaret Public School
