- Event dates for the year – Christmas Craft fair will be held Saturday December 1st
- Remainder of the event dates have been tabled
- Treasurers report
 - **ACTION ITEMS**
 - April will have a full report at the Oct 4 meeting
 - Andrea & Tom will have a concrete answer as to how much money needs to be set aside for playground equipment repair.
 - Council looking to set this money aside in our general account
- Fundraising
 - Council discussed how Students council and School council can work more effectively to streamline events and the crossing back and forth of funds. The hope/goal is to create a plan that generates money for all PMPS students in a more efficient manner that will also reduce any contention between groups. This plan would also include what items/goals each council would focus on providing funding for.
 - Ideas discussed where the following
 - School council running the x-mas craft fair (except the bake sale) & and keeping all of those funds
 - Students' council to run a fundraiser example the chocolate sale gr. 7&8s are already running but the whole school would partake. However, making sure the gr. 7&8s would still get the money towards their trip but the remaining money would go back to students' council.
 - The dance-a-thon will run every two years and the students' council would run this with proceeds going back to them.
 - Another thought is doing a poinsettia fundraiser and having this apart of the x-mas craft fair. Buyer would pick up flowers

at craft fair generating extra bodies at the event and extra funds.

- Any final decisions have been tabled to the next meeting giving each council a chance to get a detailed report ready as well as come up with some more fundraising ideas
- **ACTION ITEMS**
 - Laurie will prepare a detailed report on how much money students council makes in a year
