

YOUTH, PSYCHOSIS, & CANNABIS

THURSDAY, MAY 25
6:00PM

Psychosis and cannabis can be confusing and difficult topics not only for youth but also for parents and caregivers. Our Early Psychosis Intervention Multi-Disciplinary Team offers services to youth in Peel and Dufferin aged 14 to 35 experiencing symptoms of psychosis.

Our presentation will include the following topics:

- WHAT IS PSYCHOSIS?
- CANNABIS AND PSYCHOSIS
- HOW TO TALK TO YOUTH ABOUT PSYCHOSIS AND CANNABIS
