### Breakfast Club/Snack Program

---

There will be a new format for our snack program in January. Each day, a snack bin will be provided to each classroom and available to all students while they are under supervision by a teacher. We are providing an accessible and stigma-free way for kids to have a healthy snack when they need it, without leaving the classroom or going to the office. Snack bins will be prepared each day by our volunteers and will include 1 fruit item + 1 dairy or grain item. All snacks will be in line with the nutrition guidelines for schools and will vary a couple of times per week.
