

RRM Email Blast April 15, 2018:

1. Fresh from the Farm: Healthy Fundraising for Ontario Schools Forms were due back on Friday, April 13 but will be accepted tomorrow as well. We are hoping to raise some needed funds to support school initiatives while at the same time promoting healthy, locally grown food, certainly a win-win. We would ask each family to consider purchasing at least one Ontario Greenhouse Vegetable Bundle. We've attached the order form again in case you did not receive yours. For more details about this program, visit <http://www.freshfromfarm.ca>
2. Has your family signed up for our School Community Event on Mon. Apr. 30? Our School Council has arranged for Jump2Math Family Night which is going to be a lot of fun (combined with learning math of course). Sign up here! <https://goo.gl/forms/h9ZBE9eduQkcyedd2>
3. We hope that your family has marked Thursday, May 10 from 6:00 – 8:00 PM on your Calendar for the first annual RRM Arts Night. Not only will student art work be on display in our Gallery Walk but we will be having a Talent Show as well (ask your child what talent they will be sharing as try-outs start soon). School Council is also offering a pasta dinner for families to make the night a little easier. Further information will be sent home shortly.
4. Earth Week Events all this week:

Monday: Spirit Day: wear Earth Colours

Tuesday: Litter-less Lunch Day and Earth Walk at 12:30 on the Trail (volunteers welcome)

Wednesday: Bake Sale at both breaks (you can drop off donations any time before then)

Thursday: Environmental Movie in the Gym at 1:45. Feel free to join us.
