

The Optimist Club of Erin

Dear Parent/Guardian(s).

The Optimist Club of Erin has made contact with Santa Claus at the North Pole! As busy as he is, he would like to phone as many JK, Kindergarten, Grade One and Grade Two children as possible in the Erin + Hillsburgh area. If your child would like a phone call from Santa, please fill out this Santa Claus calling card and have it returned to your child's teacher by **Thursday, December 13, 2018.**

Santa will be making his calls on Tuesday, December 18, 2018 and Wednesday, December 19, 2018
Every attempt will be made to contact your child on the evening selected.

Best Wishes from the Optimist Club of Erin.

Questions, please Contact Optimist Pres. Santa Erik Mathisen (519)833-1289 or Optimistcluboferin@outlook.com

Santa will not make any promises to your child as to the gifts he/she may expect to receive. He will only develop conversations. Please list additional information that may help Santa when speaking with your child. Use the back of this form if more space is required. The more details you give Santa, the greater the magic.

Please indicate your preference in calling time (Check One Box Only)

Tuesday, December 18th 6:00pm – 7:30pm 7:00pm – 8:30pm

Wednesday, December 19th 6:00pm – 7:30pm 7:00pm – 8:30pm

Santa will make every possible effort to contact your child during the time you have indicated, but to avoid disappointment; **please do not promise your child the call**, just try to have him/her available at the time you have indicated. Calls to voice mail will be from the Optimist Club with a promise to try again later.

Please note: All information contained here will be shredded once the calls are completed.
