

RRM Email Blast March 29, 2019

1. Our April Newsletter is now online. Please visit <https://www.ugdsb.ca/rossrmackay/> so you don't miss out on what is happening for your children at our school.
2. We are looking for an extra backyard composter for our school composting program. If you have one kicking around your house that you are not using and would be willing to part with it, please let us know.
3. We still have cookies leftover from our special family fundraiser. They will be sold every Wednesday at second break until they are gone. \$1.00 per cookie.
4. Every Friday, we do have extra pieces of pizza for sale. If your child did not order regularly but would like a piece on the occasional Friday, just send along \$1.50 per slice and we'd happily provide.
5. A reminder that next Friday is a Professional Activity Day so no school for students.
6. For families with students in Grades 3 – 6, we have selected Tues. May 28 – Thurs. May 30 for our students to complete the EQAO provincial assessment. Further information will be sent home but we wanted to be sure you were aware of these dates so your child will be sure to be present on these important dates. We will also be seeking adult volunteers to support students during this assessment. If you are available to assist on these dates, please email Ms. Armstrong tracy.armstrong@ugdsb.on.ca
