Dear Salem Families,

June 29, 2021

As the 2020-2021 school year comes to a close I would like to take this time to celebrate Salem PS. We started this year with the reading of the story "Say Something", by Peter Reynolds. A story that encourages you to use your voice to make a difference and change the world.

Thank you to the School Council, the parents, and the community for your commitment to helping us create the best learning environment possible for our students. Great thanks to the staff for their ongoing dedication to students! I am so very proud of all our students and would like to wish each and every one of you an amazing summer. Be safe, have fun, and make lots of memories.

I would like to wish all the students leaving Salem all the best as they venture forth, we will all miss you at Salem! Congratulations to all our grade 6 Graduates. Good luck in your future and enjoy the next adventure.

This year has been a year where I have consistently been proud to say I am the principal at Salem PS. Our community is a family that has risen to each challenge we have faced with grace and kindness. I look forward to a great 2021-2022 school year here at Salem PS. I wish everyone a relaxing and healthy summer. Enjoy the time with your family. For those of you returning next year, I can't wait to see you again in person!

Students will learn about next year's class placement on the first day of school. Staff will be outside, with grade signs, and will find each of the students in their classes. They will ensure everyone is where they need to be before they head into the school to begin the new year.

Have a great summer!

Natasha Skerritt
