

FOR RACIALIZED STUDENTS/FAMILIES
IN UGDSB

Let's Talk about Racism

JUNE 24, 2020 | 2-2:45 PM | GOOGLEMEET

Meeting nickname:
antiracismstudents

On 5 June, UGDSB issued this statement:

Anti-Black and anti-Indigenous racism is deeply rooted in our country, society, institutions and our history, and much work needs to be done to address this systemic racism. As an educational community we have a responsibility to identify and describe racism and oppression and then work to dismantle it. The Upper Grand District School Board is committed to disrupting systemic racism and oppression in all of its forms. We will implement ongoing mandatory anti-racism and anti-oppression training for all staff, review our protocols and policies, including our hiring practices, and be fully transparent and accountable to all Upper Grand students, staff, families, and stakeholders in an ongoing manner.

We are asking racialized students and their families for input to guide the planning of the upcoming mandatory anti-racism and anti-oppression learning for UGDSB staff.
