Sir Isaac Brock Public School

# A Message from the Office:

Welcome to Sir Isaac Brock Public School, a K to 8 School dedicated to helping students achieve their personal best. Our school community is proudly diverse and reflects a variety of cultures. It is our goal to work with all of our families to ensure the best possible learning environment for all our students.

**At Sir Isaac Brock, we value...**

**S: Showing Respect**  
**I: Including Others**  
**B: Being Responsible**

These Character Education traits can be further supported through open communication. Please do not hesitate to communicate with your child's teacher and try to remain current on the policies and procedures of our school. Teachers will have various ways to communicate with students' parents/guardians, for example, newsletters sent home at the beginning of each term or monthly, Google Classroom posts, or emails to parent groups, and general school information is available online at <http://www.ugdsb.ca/sibps>.

We understand that this school year will bring challenges and many successes, and we will do our very best to keep students and staff safe using public health and school board protocols. We are proud of our school and the students who walk through our doors. We hope you will be too!

Have a great 2021-2022 school year!

## COVID-19 Planning

As you are aware, the Upper Grand District School Board has put extensive plans in place for the school year. Our school has now created plans that include both operational changes (how we manage the people and resources within the school), as well as health and safety changes (our response to the COVID pandemic). Some of the COVID plans are reflected here in this document.

## School Hours

Supervision on the yard is provided for pupils from 8:25am until 3:15pm. Students may not enter the school until the bell rings at 8:40 am, unless permission is provided by a teacher. For your child's safety, if your child walks, rides a bicycle or gets a ride to school please have them arrive between 8:25-8:40am.

<b>8:25am - 8:40am</b>	<b>Arrival</b>
<b>8:40am - 10:20am</b>	<b>Instructional Time</b>
<b>10:20am - 11:00am</b>	<b>First Nutrition Break</b>
<b>11:00am - 12:40pm</b>	<b>Instructional Time</b>
<b>12:40pm - 1:20pm</b>	<b>Second Nutrition Break</b>
<b>1:20pm - 3:00pm</b>	<b>Instructional Time</b>
<b>3:00pm</b>	<b>Dismissal Time</b>

## Student Agendas

Due to COVID 19 protocols and a shift in practice, agendas for the 2021-22 year will not be used as parent/teacher communication tools. Instead if a parent needs to notify the school of any change in routine (e.g., early pick up, drop off) or would like to communicate with the teacher about any questions or concerns they are asked to email or call the teacher at school.

## Footwear/Clothing

The students enjoy playing outside during recess times. It is important that they dress appropriately for the weather conditions. We recommend sunscreen and hats for sunny days in the fall and spring, and splash pants, raincoats, and rainboots for the wet days. In the winter, we suggest snowsuits, coats, boots, touques, and mitts/gloves. Extra socks, mitts and hats carried in the student's backpack also help make the winter weather more enjoyable.

**We recommend that all student belongings are labeled with their name. These labels will help to reduce the number of Lost and Found items at our school.**

# Homework

Homework is assigned in a purposefully planned manner that is directly connected to a student's school program and learning expectations from the Ontario Curriculum. Homework reinforces and enhances skills/concepts learned in class and allows parents to be more aware of the curriculum expectations, as they are being covered in the classroom. Homework is assessed and reported as part of the Learning Skills section on the report card. The following Learning Skills are report card expectations that often apply to homework:

- completes homework on time and with care
- comes to class prepared for learning
- puts forth consistent effort
- follows directions and completes all homework tasks
- utilizes time effectively
- organizes materials and equipment effectively

Encouraging your child to participate in extracurricular activities and in creating opportunities for them to actively experience their world through trips, performances, visits with friends and relatives, etc. provides excellent learning experiences at home that can connect to learning at school. # **Safe Arrival and Departure Procedures at Sir Isaac Brock Public School**

Student safety is very important to us at Sir Isaac Brock Public School. In consultation with our School Safety Police Officer, we have developed an arrival and departure plan to support our students arriving and departing the school in a safe way. If you could please familiarize yourself with this plan as well as ensure your children are aware of how we would like them to enter/exit the school yard safely, that would be greatly appreciated. It takes the whole community to support student safety.

## **Students could “Power themselves to school”:**

This method is what we at SIB are encouraging as it promotes a healthy lifestyle, connects students to their community and supports the ongoing work we do with supporting our environment. Each morning, one of our staff members is on yard duty from 8:25-8:40 AM. Students should not arrive before this time as there will be NO supervision. We also would ask that no students walk through the traffic flow of the Kiss and Drive area at anytime during arrival and departure of students.

## **Kiss and Drive (Drop off/Pick-Up):**

### **DROP-OFF**

At SIB we have a Kiss and Drive program. When students are being driven or picked up from school, parents drive through the Kiss and Drive Drop Off Zone (marked with arrows and signs) to drop off their children. Children are asked to exit the car on the passenger side so that they are not entering traffic flow. Each morning, one of our staff members is on duty from 8:25-8:40 AM however Staff will not be helping students unbuckle from car seats or open doors. Parents will not be allowed out of the vehicle while in the Kiss & Ride, so if a child is unable to undo their seat belt independently then parents will be directed to park on a side street near the school and help their child(ren) get to school safely. Once out of their vehicle, children will be directed to the back tarmac to line up with their class and teacher.

Once children are safely out of the car, parents are free to exit the area by following the arrows on the pavement. The parking lot will not be available for parking during the arrival and dismissal program at the school to prevent students from walking through the parking lot while cars are travelling.

**NOTE:** If it is determined that staff and students are unable to stay a safe distance, the Kiss & Ride will be removed as an option for the remainder of the pandemic.

### **PICK UP**

If you are picking up your child in Kiss and Drive (3:00 -3:15 PM) please pull into the school along the KISS AND DRIVE pathway and stay in your car. A staff member is on duty and will ask students to wait by the school recycling centre and watch for your car. When your child can see your car, they will tell our staff member who will allow them to walk along the grass to your car. Once you have your child, please exit the area following the arrows on the road. This will allow for the cars behind to all advance.

### **Attention Kindergarten Parents:**

If you have a student in kindergarten and you have older students in the school, please have one of your child's older siblings come to pick them up and then together they can go to the Kiss and Drive Pick-up area together. If you would prefer to park your car and pick up your children, please park on the city streets surrounding the school to park your car as the parking lot will not be available to park during our arrival dismissal program to ensure student safety.

### **School Parking Lot**

**PLEASE NOTE:** The school parking lot will be closed to cars during our arrival and dismissal times at the school. If you want to park your car you will need to park on city streets and walk onto our school property to pick-up your children. The purpose of this process is to ensure that all our students are safe when arriving and departing our school yard.

Community-based service providers are resources that boards can use to deliver prevention or intervention programs. Protocols and collaborative agreements are effective ways of establishing linkages between boards and community-based service providers and of formalizing the relationship between them. These partnerships must respect all applicable collective agreements.

# Consequences

The school will use a range of interventions, supports and consequences that include learning opportunities for reinforcing positive behaviour while helping students to make good choices.

In addressing inappropriate behaviour by students, schools will:

- utilize appropriate and consistent action to address inappropriate behaviours within the practice of Progressive Discipline
- ensure the degree of disciplinary action is in proportion to the severity of the behaviour exhibited, and that a student’s previous history and other relevant factors are taken into account
- provide students with experience using conflict resolution, anger management and communication skills
- document incidents requiring disciplinary measures
- consider mitigating factors
- make contact with parents and guardians of students under the age of eighteen, or students over the age of 18 or those 16 or 17 years old who have withdrawn from parental control (adult students), early in the disciplinary process and involve them in a plan to improve the student’s behaviour until the behaviour is acceptable; and/or
- utilize consequences such as short-term suspension, and respond as required with long-term suspension or expulsion

The application of consequences, supports and interventions are determined by the incident and the individual students involved. Consequences, supports and interventions used include and are not limited to:

The provincial Code of Conduct specifies that for student actions that do not comply with the provincial Standards of Behaviour, suspension and expulsion may be considered. The board's Safe Schools Policy (Policy 503) sets out the process for suspension and expulsion. This policy specifies the student actions that may result in administration imposing a suspension, as well as the student actions that will result in administration imposing a suspension and considering an expulsion pending an investigation of the incident.

- the impact of the discipline on the student's prospects for further education
- the student's age

## **Infractions For Which A Principal Shall Impose A Suspension, And May Consider Recommending To The Board That A Student Be Expelled**

- possessing a weapon, including a firearm
- using a weapon to cause or to threaten bodily harm to another person
- committing physical assault on another person that causes bodily harm requiring treatment by a medical practitioner
- committing sexual assault
