Dear Parents/Guardians,

This is a notice to inform you that Public Health has confirmed a positive case of COVID-19 affiliated with our school. If your child is identified as a High-Risk Contact of the positive case, you will be emailed a letter with further information and instructions from Public Health. Please read and follow these instructions in their entirety. If your child does not receive a high risk contact letter, they may return to school following regular precautions, including completing the daily screening tool.

For more information on positive COVID cases, you can visit our website at wdgpublichealth.ca and click on the school's section. As always if your child develops symptoms of COVID, please keep them home from school and take them for a COVID test at your nearest testing centre.

Our building is safe and remains open to staff and students. As always, custodial staff will ensure thorough cleaning and disinfecting of affected areas in the school, as part of our enhanced cleaning protocol.

We will continue to work closely with Public Health and take their direction as they complete their investigation. Where Public Health determines there was a transmission risk to others in the school, they will perform a risk assessment for any contacts. All students and staff determined to be at high risk of exposure will be directed to isolate and recommended to be tested within their isolation period. ***Please note that Public Health has different self-isolation requirements for individuals who are vaccinated vs unvaccinated/partially vaccinated.***

So you are aware, the school board is required to post information about positive cases in a school setting on the board website. You can find that link here:

<https://www.ugdsb.ca/community/coronavirus/2021-22-school-operations/covid-19-advisory-reporting/>. The identity of the individual is protected by privacy legislation and will not be shared.

Thank you.
