Do we need to come into the school to help print/distribute order forms? (Sonja has been emailed copies of these) 2) Santa parade will be running down town again this year Friday Dec 2. In the past school council has put in a float (pre covid). Becky is not available this night but has the tree/tarp/lights and can help put the float together if someone else is willing to pull it. School would have to get insurance. In past we have sent home info for kids to meet at beginning of parade if they want to be on the float. The theme is holiday traditions. We have had students submit pictures with design ideas in the past. 3) Suggestion for Mothers Day Planters Fundraiser through Mount Forest Green house. Orders would be taken in March to be submitted by Apr 1 for delivery by Mothers Day. Motion to move forward and get prices/more details? 4)
