**Fundraising**

We agreed that we should run the chocolate sales for the spring. There was a discussion about running a fundraiser in the background all of the time. Spirit wear through Premier Wear may be an option. Chris Jess is willing to do the luncheon at the end of the year again, perhaps tomato soup and grilled cheese sandwiches would be an appropriate menu.

**Play Ground Committee**

We went to a meeting in Orangeville put on by Evergreen. The purpose was to help with planning. We will do the improvements in a few phases, utilizing existing parts of the yard. The structures will be in different areas, and we are planning on making them as accessible as possible. Phase one will include updates to the woodland garden with balance boards and raised sand pits. We hope to make a gaga ball pit per Mr. Peller's request. There may be collapsible options, so that there can be a gaga ball season. Final phase will be a pirate ship structure (this is our stretch goal).

**ACTION ITEMS:**

1. Meet with Keith, to get quotes and go to the board.
2. Playground Committee – work on a PR package
3. Solicit donations from Sorbara.
