1 DESSERT PARTY FOOD PRE-ORDER

- ☒ Pre-ordering helps us **AVOID FOOD WASTE**
- ☒ Pre-ordering helps make it easier for **YOUR VOLUNTEERS**
- ☒ Pre-ordering is easy and convenient using **SCHOOL CASH ONLINE**

Pre-order food tickets for your family AND guests!

Hot dog or Veggie Dog: \$2.50

Hamburger or Veggie Burger: \$5.00

Dessert Plate or Fruit: \$2.00

Drink: \$1.50

You can also pre order your tickets for treats and activities and save!

25 tickets for \$20 (Most treats and games are between 1-3 tickets)

PLEASE NOTE:

If you'd like to order different quantities for different items (e.g. two hotdogs and one burger), you need to submit each food item separately, then return to the form to submit the next food item.

(By default in SCHOOL CASH ONLINE, the form will force the same quantities for all the food items you select, e.g. if you specify "3" for hotdogs and then go on to select hamburgers, it will automatically put 3 hamburgers in your cart. To get around this, submit each food item separately, then return to the form to submit the next food item.)
