

GET INVOLVED MAKE A DIFFERENCE

DEAR PARENTS,

Your child's school has signed up for the Ontario Schools Battery Recycling Challenge (OSBRC) by Raw Materials Company. The Challenge officially starts on October 18, 2021 (Waste Reduction Week) and runs until May 13, 2022.

WHAT IS THE OSBRC?

The OSBRC is a recycling competition between 200 elementary and secondary schools across Ontario. Its purpose is to teach children and their families about the proper way to handle, store and recycle batteries at home and at school. Since 2014, OSBRC schools have recycled more than 12 million single-use batteries. The OSBRC prize pool has paid out more than \$92,704 to winning schools. This year, 30% of the total prize pool will be donated to the SickKids Children's Hospital.

STUDENT MISSIONS

With your consent, your child can sign up for Student Missions. If they complete 3 missions they will be entered into a draw for one of ten \$50 VISA Gift Cards. If they complete all 5 missions by Family Day, they'll have a chance to win a family trip to Great Wolf Lodge in Niagara Falls! There are also three bonus missions to give students extra chances to win! For more information and to register, please visit:

www.rawmaterials.com/ontario-school-recycling-challenge/student/

YOU CAN HELP!

Help your child recycle single-use batteries from your home. Please don't go outside your family bubble this year. What we don't recycle this year, we'll get next year. Before you send those batteries to school, please tape the terminals on all 6V, 9V, button cell and primary lithium batteries. To learn more about how to store batteries in your home and how to prepare them for recycling, please visit: www.rawmaterials.com/page/education/prepare-batteries/

This program is for primary single-use batteries (non-rechargeable). They are the typical household batteries like AA, AAA, C, D, 6V, 9V and button cell.

Sincerely,

Sarah Lacharity
