Discussion of the following information from the Board:

The following policy was released for public consultation as further revisions have been made. Feedback is welcome on the draft documents until January 14, 2022.

[205 – School Volunteers](#)

Further updates to the policy and procedures for school volunteers are shown in the draft documents as highlighted text. One of the proposed policy changes is the **requirement for all school volunteers to provide a vulnerable sector check** from the local police service prior to attending any volunteer activity with the board.

Policy 205 is important to students, parents, staff, school councils, and community members because school volunteers play an important role in maintaining a positive school climate by allowing many aspects of a school's programming, both curricular and extra-curricular, to continue operating efficiently.

You are invited to review the draft documents and submit online feedback at www.ugdsb.ca/board/policy. **The deadline for public input is January 14, 2022** at 4 p.m. EST. Persons without internet access may call 519-822-4420 (or toll-free 1-800-321-4025) ext. 723 to request a printed copy of the draft documents.
