J. Aziz, Office Coordinator

E. Hamilton, Vice-Principal

P. Tran, Administrative Office Assistant

Dear Parents/Guardians,

May 11, 2022

This letter is to inform you that members of the Guelph Police Police service will be doing a presentation on May 20th for all students in Grades 3, 4 and 5 at our school.

The focus of this presentation will be on bike safety. This presentation connects to the Health Curriculum expectations in the following areas:

Students will:

- learn about behaviours and procedures that maximize safety and lessen the risk of injury, including the risk of concussion, for themselves and others during physical activity
- learn about common precautions for preventing accidents and injuries, including concussions, while participating in different types of physical activity

If you have any questions or concerns, please call Ms. Hamilton (Vice Principal) at extension 224.

Thank you,

A handwritten signature in black ink that reads "Allison Stoffman".

Allison Stoffman
Principal
