Upper Grand District School Board

Below is a chart of the courses offered in an **eLearning format** by the Upper Grand District School Board. Students wishing to take an eLearning course from this chart can choose it directly in **MyBlueprint** during course selection time. If a student is wishing to access an eLearning course that is not listed below, there may be an opportunity to enroll in one from another school board provided it is available and that there is room in the course. Students must speak with a guidance counselor to sign up for a course that is offered by another board.
