

William C. Winegard Sings O Canada at the Storm Game

The Guelph Storm Choir/Anthem Program gives students from various local schools the chance to perform the national anthem(s) with their fellow classmates in front of our always great Storm fans!

On Sunday, January 6th, the William C. Winegard Choir will be singing O Canada. **Members of the choir are asked to meet no later than 30 minutes prior to game time. Please meet at 1:30 PM.** The choir is to meet on the main level of Old Quebec Street Mall in front of Rexall and beside the Guelph Hall of Fame.

Parents, teachers, and choir coordinators are asked to please work together in ensuring every student singing the anthem has their own ticket in hand (as they will need it to enter the arena), and to have all the participating students in a line against the Guelph Hall of Fame wall.

At this time, a Storm representative and Storm Crew members will meet the choir to bring them to the ticketing gate and to the designated “warm-up” area. Once there, the choir will be given further instructions and have the opportunity for a quick run-through if they choose. Miss Julie and Ms. Hopkins will also be with the students. It would be great if a few other parents could remain with the choir for supervision.

Following the anthem, students will be brought back to the designated “warm-up” area where they will be given details on how to return to their seats. Storm Crew members will divide students up, taking groups up one at a time to ensure all students are brought to their seats safely and in an orderly fashion.

We kindly ask all parents, teachers, choir coordinators, and students – as an important reminder – that during the game, rules such as waiting for a stoppage in play prior to entering and/or leaving your seats, and sitting in your assigned seating, are followed to not only represent your school to the best of your ability, but to ensure the experience is an enjoyable one for everyone involved!

If your child has any Winegard spirit wear, please have him/her where it for the game. We will also have some of our sports team jerseys available.

If your family is attending the game, but is not part of the choir you can make your way to your seats anytime before the game starts at 2:00 PM.

Thank you for participating in this program, and the Guelph Storm are happy to have you part of the team this season!

Miss Julie and Ms. Hopkins
