1. Interest in being part of a committee that will review and assess police presence in schools.
2. A resident within the UGDSB who supports the public-school system.
3. A member of a community organization and/or agency. If you are not a member of a community organization and/or agency please include a letter of support indicating whose voice you are representing.
4. Complete the application and a summary stating your reason for applying to the Task Force.
5. Available to participate in meetings and adhere to the Terms of Engagement.

UGDSB is mindful of traditionally under-represented voices, especially BIPOC (Black Indigenous People of Colour) and will make a specific effort to reach out to this community for Task Force representation.

Applicants are to submit an application to cheryl.vanooteghem@ugdsb.on.ca by Monday August 10. Current Task Force members* will review each application based on the criteria above. Representation from each geographic area of the UGDSB will be sought. Seven or eight community members will be invited to participate with staff and trustees on the Police Presence in Schools Task Force Review.
